Jefferson area seniors can learn how to avoid insurance and financial abuse

A free workshop to help Jefferson area senior citizens learn how to avoid insurance and financial abuse will be Saturday, May 17, at the Jefferson Public Library, 128 N. Main St. in Jefferson. The public is invited to attend the presentation, which begins at 1 p.m.

The workshop, by the Oregon Department of Consumer and Business Services, will cover how to:

- recognize predatory marketing techniques used by insurance agents and security brokers,
- choose insurance and financial products suitable for your needs, and
- avoid scams.

Senior citizens are often targets for deceptive sales practices or scams because many of them have accumulated large sums of money from a lifetime of savings and asset appreciation.

The workshop is part of the department's SAFE program: Senior and Family Education on Insurance and Financial Issues. It is co-sponsored by the Jefferson Public Library. For more information, please call toll-free 1-888-877-4894, ext. 7208.
