**RULE SUMMARY**

This rulemaking establishes a Children's Reinsurance Program to promote health insurance coverage of children under the age of 19 in Oregon. This program would spread the risk of enrolling high-risk children in the commercial individual market on a guaranteed issue basis with no pre-existing condition exclusion period as now required under federal law. The rules establish the requirements and procedures for a carrier to cede coverage for a child under the age of 19 to the Children's Reinsurance Program.
