RULE SUMMARY

This rulemaking establishes the process for a contracting entity that is not operating under a certificate of authority or license issued by the Department of Consumer and Business Services (DCBS) to register with DCBS. A contracting entity is a person that contracts directly with a provider for the delivery of health care services or contracts with a third party for the purposes of selling or making available to the third party the provider's health care services or discounted rates or the services or rates of a provider panel under a provider network contract. If the contracting entity is not an authorized insurer or licensee operating under a certificate of authority or license issued by DCBS, the contracting entity is required to register annually with DCBS.
